Want to connect with the Community Foundation? Follow the three steps below." Below this text are two buttons: "Sign Up" and "Sign In". - Organizational Profile**
Step 1: The first step in your nonprofit's journey with the Foundation is to complete your Organizational Profile through our convenient Nonprofit Online Portal. You'll be able to save the information and update it any time you have new leadership, new programs or other news you'd like to share with the Foundation's staff and its donors.
- Common Grant Application**
Step 2: Complete the Common Grant Application, which allows you to provide the Foundation with details on your finances, governance, human resources and more. Organizations are required to complete the Common Grant Application in order to be considered for any of the Foundation's competitive grantmaking programs. You'll be able to save the information and update it throughout the year; organizations must update their Common Grant Applications annually.
- Grant Application Supplement (Requests)**
Step 3 All of the Foundation's competitive grantmaking programs require organizations to have completed their Organizational Profiles and Common Grant Applications in addition to submitting supplementary information. Follow the program-specific directions found on each program's guidelines to complete your Grant Application Supplement.

At the bottom of the page, there is a footer with the text: "© Community Foundation For Greater Atlanta - (g) grants | 191 Peachtree Street NE, Suite 1000, | Atlanta, 30303" and "Browser Approved. Check".
