

Unleashing the Superpower of Philanthropy: 2017 Funds

The Community Foundation for Greater Atlanta works with individual and family donors who have established funds at the Community Foundation. Together we are a powerful force to change our community, and we are grateful to our donors for their continued support and involvement. In 2017, we received \$144 million in gifts from our donors to continue building a permanent charitable resource for the Atlanta region. Below is the full listing of all funds at the Community Foundation from January 1, 2017 through December 31, 2017.
