WHAT IS A PLACE TO PERFORM?
A Place to Perform is an initiative of the Community Foundation for Greater Atlanta created after the theatre space of the 14th Street Playhouse became unavailable to a wide range of Atlanta’s nonprofit performing arts organizations. Historically, A Place to Perform has provided grants to nonprofit arts organizations to assist them financially in gaining access to performance venues so they can produce performing arts experiences for the public throughout the Foundation’s 23-county metro Atlanta region.

In light of the current public health crisis, A Place to Perform funds will be made available to performing arts organizations that have had to cancel performances due to COVID-19. This program will provide one-time grants of up to $5,000 for general operating support. Our hope is to provide flexible funding for impacted performing arts organizations.

This program has no deadlines. Applications will be reviewed twice a month and applicants will be notified of funding decisions within two weeks. Please note that there is a set amount of funding allocated for grants from this fund each year. Once this amount has been awarded, we will be unable to accept additional applications. Our website will indicate when all funds have been granted.
