Grant Recipients as of August 11, 2020

1. **100 Black Men of America** - In response to the COVID-19 crisis, 100 Black Men of America ($25,000) plans to provide computers and internet access to 500 Clayton County students in grades K-12. Additionally, it will host virtual town hall meetings bringing together faith, financial, medical and political leaders and experts with experience working in African American communities to give community members the opportunity to discuss the physical, emotional and economic impacts of the crisis, and to share accurate and up to date information about the pandemic in metro Atlanta. The grant will supplement costs for these activities for the next 90 days.

2. **180 Your Grief, Inc. DBA Widow Strong** - $10,000 to cover costs for modified operations and increased demand for services.

3. **21st Century Leaders** - $10,000 to support an immersive leadership development experience.

4. **3D Girls, Inc.** - $5,000 to support basic needs for babies and new mothers.

5. **Acceptance Recovery Center** - $5,000 to support emergency housing and emergency financial assistance to cover program fees.

6. **Access to Capital for Entrepreneurs (ACE)** ($250,000) provides community economic development to underserved people and communities including women and minority business owners. COVID-19 poses an economic calamity for entrepreneurs in these populations who generally have lower margins and cash reserves. This grant will cover operating costs of ACE’s Emergency Loan Product, providing working capital micro loans of up to $50,000 for current ACE clients along with up to six months of principal and interest payment deferment and technical assistance for clients to apply and secure funding.

7. **Action Ministries** ($100,000) mobilizes communities to address the challenges of poverty by focusing on hunger relief, housing and education. In response to COVID-19, Action Ministries has expanded its child feeding programs and has added new prevention and housing services to those directly impacted by COVID-19. This grant has the potential to reduce the number of children that will be facing food insecurity in the coming weeks and can provide financial assistance to prevent homelessness.
8. **Agape Youth & Family Center** - $15,000 to provide emergency financial assistance for families experiencing loss of jobs, furloughs or reduced work hours.

9. **Agnes Scott College** - $20,000 for emergency financial assistance, technology supports and internet connectivity for students without access.

10. **Anchor of Hope, Inc.** - $20,000 to provide basic needs and emergency financial assistance to immigrant families in service industries experiencing loss of jobs.

11. **Artportunity Knocks** - $10,000 to support an online academy focused on science, technology, engineering, art and math (STEAM).

12. **Asian Americans Advancing Justice** - $20,000 to provide culturally appropriate information, service provision and advocacy for immigrant populations with highly increased risks to their health and safety.

13. **Atlanta Association For Convalescent Aged Persons Inc. dba Sadie G. Mays Health & Rehabilitation Center** - $50,000 to cover the increased costs for additional treatment equipment, cleaning supplies and PPE to continue serving high risk patients.

14. **Atlanta Birth Center** - $20,000 to provide increased services and support for pregnant people, partners and midwives at its center reducing the exposure risks for mothers, babies and their families.

15. **Atlanta Cancer Care Foundation, Inc.** - $10,000 to provide direct payment of bills or gift cards for food or gas.

16. **Atlanta CARES Mentoring Movement, LLC.** - $35,000 to provide laptops and increased case management for parents of children who've interacted with the juvenile justice system.

17. **Atlanta Children’s Shelter (ACS) ($50,000)** supports families living in poverty in the metro Atlanta area who are facing or experiencing homelessness. Ninety-five percent of the families ACS serves are low or moderate income, and more than one third of the families they served last year were homeless due to domestic violence. Homeless and at-risk families have higher rates of chronic diseases than the rest of the population, tend to rely on services that make it harder to practice social distancing, and have a harder time accessing food and hygiene items. The grant will cover the costs of emergency rent and utility assistance, food, cleaning and disinfecting supplies, MARTA cards and mental health counseling provided to homeless, at-risk and recently housed families.
18. **Atlanta Community Food Bank** ($750,000) supports a network of almost 700 nonprofit feeding programs in 29 counties in metro Atlanta and north Georgia, and distributes more than 70 million pounds of food and grocery products each year. Prior to the COVID-19 crisis, more than 785,000 people in our community were food insecure, and that number is expected to rise as individuals and families face financial hardships. This grant will support the purchase of food to respond to increased need and reduced donations during the COVID-19 crisis.

19. **Atlanta Fire Rescue Foundation, Inc.** - $50,000 to support the physical health, safety and mental health needs of the 1,100 firefighters serving the city of Atlanta.

20. **Atlanta GLOW (Fiscal Agent - Women's Nonprofit Alliance)** - $3,000 to provide emergency financial assistance for food, medicine and other basic needs.

21. **Atlanta Harm Reduction Coalition, Inc** - $10,000 to cover the costs of virtual case management, grocery cards for 40 families and meal distribution for 160 people monthly.

22. **Atlanta Legal Aid Society, Inc.** - $50,000 to support costs of continued advocacy on behalf of its clients in danger of losing housing due to COVID-19.

23. **Atlanta Mission** - $35,000 to address needs of people being sheltered at the Mission.

24. **Atlanta Neighborhood Development Partnership** - $25,000 to cover costs that address housing needs, basic needs and information on COVID-19.

25. **Atlanta Partners For Education (APS Foundation)** ($280,000) Founded in 1981, Atlanta Partners For Education (APFE) has been the Atlanta Public Schools (APS) Foundation for nearly 40 years, serving as the gateway through which the corporate and philanthropic communities support student achievement and develop strategic solutions to challenges that impact APS students and families. The grant will support COVID-19 specific programs in nutrition and technology, providing free meals for students and families and securing laptops and internet access for distance learning.

26. The **Atlanta Police Department Foundation** (APD Foundation) ($150,000) is facing added costs from COVID-19 in order to allow the city’s first responders (APD, Fire/Rescue and related City employees) to carry out their respective duties safely and hygienically. The APD Foundation has received financial support from many corporate and private funders. This grant will fulfill the estimated remaining costs around their response, which includes testing and monitoring the health of first responders and frontline medical staff, access to personal protective equipment as well as increased
demand for food and programming at the Westside At-Promise Youth and Community Center.

27. Atlanta Regional Commission - As the Area Agency on Aging for the 10-county metro Atlanta region, Atlanta Regional Commission (ARC) ($95,000) issues notifications of funding availability for both the Federal Older Americans Act and state funds to provide direct services to older adults in the region. These are essential services including home delivered meals and congregate meals. ARC is working closely with its providers to find solutions to delivery challenges in the current climate and develop weekly communication channels with its most vulnerable clients. ARC also operates the Aging and Disability Resource Connection through which individuals speak with information and referral specialists about their needs. The grant will support one month of meal delivery for 625 seniors.

28. Atlanta Technical College Foundation ($100,000) – Due to COVID-19, many Pell-eligible students need housing assistance, food, personal care products and other basic needs. Almost 70 percent of Atlanta Technical College (ATC) students are economically disadvantaged and receive some form of financial aid. Students are mostly female, many of whom work and are raising children. Since closing in-person instruction due to COVID-19, ATC has seen a rise in student need in technology supports, emergency financial assistance and online tutorial services. ATC has created a Students’ Technology Support Fund and a Students’ Emergency Assistance Fund and expanded its online tutorial services. This grant will support the added costs related to providing added supports for students.

29. Atlanta Volunteer Lawyers Foundation ($150,000) provides free, high-quality legal services for more than 5,000 people annually. This grant will provide emergency support for tenants facing eviction through the Housing Court Assistance Center and services for survivors of intimate partner abuse. It will also increase AVLF’s ability to bring on contract, temporary labor across all of its programs to help with the influx of cases expected when normal court operations resume.

30. Atlanta Wealth Building Initiative ($250,000) addresses the on-going crisis of inequity confronting Atlanta, with a focus on promoting understanding of community wealth building models for Black-owned businesses and elevating the engagement, capacity and leadership necessary to shape a more inclusive economic narrative in Atlanta. The grant will contribute to rapid-response grants and loans supporting Black small business owners for lease assistance, payroll shortages, e-commerce conversion support, conversion of service businesses to on-line interactions and other needs.
31. **ATLFAMILYMEAL, Inc.** - $10,000 to cover the costs of repurposing restaurant industry resources to feed and support industry workers.

32. **Auditory-Verbal Center, Inc.** - $12,000 to provide teletherapy for low-income infants, children, adults and their families with auditory and verbal disabilities due to hearing loss.

33. **Bald Ridge Lodge, Inc.** - $5,000 to provide for increased staffing, supplies and services for the residents of Bald Ridge Lodge due to the shelter in place order.

34. **Bearings Bike Shop** - $3,000 to cover costs of new food delivery services for its clients.

35. **BEN HILL UMC, INC** - $15,000 for emergency financial assistance, food and childcare support. Behavioral Health of Georgia (Fiscal Agent - View Point Health) - $25,000 to provide shelter for patients requiring self-quarantine and establishing telehealth services for current and new clients.

36. **Bethany Christian Services of Georgia** - $10,000 to support emergency basic needs for children in foster care.

37. **Bethesda Community Clinic** - $10,000 to support telehealth service provision and COVID-19 testing.

38. **Black Alliance for Just Immigration** - $30,000 to provide emergency financial assistance, communications technology and language services for Black immigrants.

39. **Black Child Development Institute** (BCDI) - Atlanta - $30,000 to provide virtual programming to support parents of young children, childcare providers and elementary educators.

40. **Bobby Dodd Institute** - $25,000 to provide equipment and materials for connectivity and telehealth support to prevent isolationism amongst their clients.

41. **Boys & Girls Clubs of Metro Atlanta** - $60,000 for family support, virtual programming for youth, laptops and food.

42. **Boys & Girls Clubs of North Central Georgia** - $10,000 to provide virtual programming like STEM, outdoor, reading and craft activities and to provide learning kits.

43. **Boys & Girls Clubs of North Georgia** - $25,000 to provide virtual programming and provide learning kits.
44. **Bread of Life Development Ministries, Inc.** - $25,000 to continue providing food to children 18 years and younger, and adults with disabilities.

45. **Breakthrough Atlanta** (Fiscal agent - The Lovett School)- $20,000 to provide virtual summer programming, weekly meal boxes and case management.

46. **Bright Futures Atlanta** - $25,000 in response to the transition to online programming, providing laptops and internet access, food and emergency services.

47. **Brown Toy Box** (Fiscal Agent - Science Atl Inc.) - $10,000 to provide grade level science, engineering, art and math (STEAM) kits and digital content.

48. **Buckhead Christian Ministry** - $20,000 to provide emergency financial assistance.

49. **Butts County Life Enrichment Team** - $5,000 to provide books and food for families.

50. **C4 Atlanta Inc.** - $15,000 to provide emergency financial assistance for artists.

51. **Caminar Latino, Inc.** - $20,000 to provide an array of services and support to families facing increased stress and possibilities of violence due to COVID-19.

52. **Captain Planet Foundation** - $25,000 to cover costs of planting urban gardens in Atlanta area schools.

53. **CaringWorks, Inc.** - $45,000 to continue providing supportive housing to more than 1,000 individuals and families experiencing physical health conditions that increase their risks of contracting and succumbing to COVID-19.

54. **Carrie Steele Pitts Home** - $100,000 for increased costs associated with providing housing and support for youth who are in foster care or have aged out.

55. **Catholic Charities Atlanta** – ($100,000) provides a holistic combination of social services to help individuals overcome barriers and achieve self-sufficiency. In response to COVID-19, it has transitioned to provide case management and emergency financial management services virtually. The organization is doing no-contact deliveries to get clients much-needed food and other supplies and has been disseminating language-appropriate resources to clients as well as helping clients apply for public benefits over the phone. It serves low-income families of all backgrounds, including immigrants (mostly Latinx), refugees, veterans and families involved with the Division of Family and Children Services. The grant will help cover the cost of rent and mortgage assistance and additional personnel, technology and supply costs to deliver their services.
56. **CAYA Reconciliation Ministries** - $5,000 to cover costs for modified operations and increased demand for services.

57. **Center for Black Women’s Wellness** - $40,000 to cover the costs of extending existing patient care plans, providing additional therapeutic supports, establishing a telehealth system (equipment purchase, training, outreach, etc.) and providing infant and mother care kits.

58. **Center for Civic Innovation** - $50,000 to provide emergency financial assistance, coaching, strategic guidance and resource connections for entrepreneurs.

59. **Center for Family Resources** (CFR) ($150,000) serves Cobb county families who are homeless or at risk of becoming homeless through financial assistance, education and case management services. CFR has also been providing food through the emergency food distribution sites operating throughout Cobb County. Since the state of emergency was declared, CFR has created a new fund for emergency rental, housing, hotel and utility assistance. The grant will supplement this fund to assist those at risk of losing their current housing because of an inability to pay.

60. **Center for Pan Asian Community Services** (CPACS) ($175,000) began in 1980 and is the first, largest and longest standing service agency focused on Asian Americans in the southeast, serving over 70,000 people per year in their native language. In response to the COVID-19 pandemic, CPACS has shifted its approach to a remote model. The grant will support the organization’s work with government agencies and partners to ensure people have access to information, and will support its community health center, food delivery for seniors, housing programs and domestic violence shelter, all of which have experienced an increase in referrals due to the added stress of this crisis.

61. **Central Outreach and Advocacy Center** - $10,000 for transportation, identification needs and referrals to food.

62. **Cherokee Family Violence Center, Inc.** - $20,000 to provide emergency shelter to victims of domestic violence.

63. CHRIS 180 - Since 1981, **CHRIS 180** ($200,000) has been providing services to children and addressing mental health needs for youth who are experiencing homelessness, in the foster care system or who may also be victims of sex trafficking or other forms of violence including LGBTQ+ discrimination as well as families living in poverty. Grant funds will provide food for youth and young families, behavioral health needs in this time of anxiety, and telehealth services which include providing electronic
devices for individuals so they can continue participating in therapy in this time of social distancing.

64. **City of Refuge, Inc.** - $25,000 to continue providing a broad range of support for vulnerable residents of Atlanta's Westside neighborhoods.

65. **Clarkston Community Center Foundation, Inc.** - $10,000 to cover costs of providing food to seniors and increased pantry hours.

66. **Clarkston Development Foundation - CDF Action, Inc.** - $20,000 for continued support to the refugee community for early learning and census completion in a priority community.

67. **Clayton County Public Schools Foundation** ($125,000) (Foundation) supports 55,000 Pre-K through 12th grade students and their families in the Clayton County school system. During this critical time the Foundation has provided meals, identified students who have educational needs and ensured that support for students with special needs continues. The Foundation has identified 1,750 students who do not have access to a laptop for online learning and are only completing assignments on a cell phone when it is available. This grant will support the purchase of Chromebooks that can be paired with Wi-Fi devices being provided to Clayton County students by 100 Black Men of America.

68. **Closer Look Ministries, Inc.** - $40,000 for subsidized childcare for essential workers, learning materials for children at home and to provide meals.

69. **Cobb Community Foundation, Inc.** - $50,000 to support the Cobb COVID-19 Community Response Fund.

70. **Cobbs School Foundation** - $50,000 for technology devices and development to address remediation needs for instruction.

71. **College AIM, Inc.** - $20,000 to provide virtual support for college and financial aid counseling, tutoring, career coaches and emergency needs.

72. **College Park Main Street Association Inc.** - $10,000 to provide bridge funding for small businesses in south Fulton.

73. **Communities In Schools of Georgia in Marietta/Cobb County** - $5,000 to provide technology supports and emergency assistance.

74. **Community Action for Improvement** - $20,000 for emergency financial assistance.
75. **Community Advanced Practice Nurses, Inc.** - $5,000 to provide for increased safety for staff and patients, and deep cleaning of the facility and for COVID-19 testing.

76. **Community Assistance Resources and Emergency Services (CARES)** ($20,000) serves Pickens county and provides food and essential non-food items, temporary financial assistance, supplemental financing for education and counseling for those in need. CARES is providing boxes of food for families for curbside pick-up once per week. At this time, anyone who is in need receives food. For people who are not able to leave their homes, deputies with the Pickens County Sheriff’s Department are delivering food directly. The grant will support the cost of increased food and services currently needed.

77. **Community Farmers Markets Inc (CFM)** - $20,000 to cover costs of virtual farmers' markets and matching benefits of SNAP/EBT with eligible customers.

78. **Community Foundation for Northeast Georgia** - $50,000 to support their localized Coronavirus Relief Fund.

79. **Community Friendship, Inc.** - $10,000 for shelter, emergency financial assistance and food for people experiencing homelessness.

80. **Community Guilds Inc.** - $12,500 for science, technology, engineering, art and math (STEAM) kits for youth.

81. **Community Movement Builders** - $5,000 to cover costs for modified operations and increased demand for services.

82. **Community Outreach in Action, Inc.** - $5,000 to cover costs for modified operations and increased demand for services in Clayton, Fayette, Fulton and Henry counties.

83. **Concrete Jungle** - $10,000 to cover costs for modified operations and increased demand for services.

84. **Connecting Henry, Inc.** - $20,000 for food and emergency financial assistance.

85. **Cool Girls, Inc.** - $20,000 to provide emergency financial assistance for families.

86. **Covenant House Georgia, Inc.** - $50,000 for increased on-site programming due to the shelter in place order and social distancing guidelines.

87. **Coweta Samaritan Clinic** - $20,000 to cover the costs of modifying programs and providing additional services and support to patients with chronic medical conditions.
88. **Create Your Dreams** - $10,000 to provide emergency financial assistance for families experiencing unemployment.

89. **Crossroads Community Ministries** - $25,000 to continue providing services to people experiencing homelessness.

90. **CURE Childhood Cancer** - $20,000 for emergency financial assistance to families for housing costs.

91. **Decatur Area Emergency Assistance Ministry** - $5,000 for emergency financial assistance.

92. **DeKalb County School District** (Fiscal Agent - Georgia United Foundation) - $50,000 to support online instruction through technology devices.

93. **DeKalb Library Foundation** - $10,000 for hotspot access, virtual story time and education programs.

94. **Diabetes Association of Atlanta** - $25,000 to increase access to effective healthcare and resources for people with increased risks related to COVID-19.

95. **Duluth Cooperative Ministries** - $20,000 to cover increases of up to 18-times their normal service levels.

96. **East Atlanta Kids Club, Inc.** - $5,000 to cover costs for modified operations and increased demand for services.

97. **East Lake Foundation, Inc.** - $30,000 to provide emergency financial assistance, food and childcare.

98. **Easter Seals North Georgia** (ESNG) ($125,000) focuses on strengthening children and families at the most critical times in a child's development to ensure that all children have equal opportunities to live, learn, work and play in their communities. ESNG serves 5,000 children and their families, 71 percent of children served are living in poverty and 60 percent have a disability. ESNG had to close their 13 early education sites during the pandemic and is providing individualized, virtual learning to families they support. This grant will supplement federal and state funding to provide support and resources to families in the areas of childcare, food insecurity, healthcare, telehealth and early intervention to 2,500 children, providing individualized learning to 1,500 children and connecting families to local resources for critical needs during this time.
99. **ELEVATE Coweta Students** - $10,000 for food distribution and resource referral services in response to COVID-19.

100. **Emmaus House** - $10,000 to provide emergency financial assistance.

101. **Essential2Life, Inc.** - $10,000 for online learning devices for tutoring and mentoring services.

102. **Ethne Health** - $20,000 to provide low-cost and no-cost COVID-19 testing, and culturally appropriate information to refugees in Clarkston.

103. **Families First** - $50,000 for additional service provision for increased numbers of seniors and low-income residents of Atlanta’s Westside neighborhoods.

104. **Family Patterns Matter** - $1,500 for wraparound services.

105. **Family Promise of Hall County** - $3,000 to provide emergency financial assistance, food and diapers to families.

106. **Family Support Circle** - $5,000 to cover costs of a new food delivery service for their clients.

107. **Fayette County Council on Domestic Violence d/b/a Promise Place** - $15,000 to provide emergency shelter, a 24-hour emergency hotline, legal advocacy, weekly support groups, relocation and financial assistance, crisis counseling and safety planning for women and children escaping domestic violence.

108. **Fill Ministries Inc. dba Meals by Grace** - $20,000 to cover costs of increased food purchases and distribution to more clients in Forsyth county.

109. **Food Well Alliance Inc.** - $20,000 to cover the costs of modified operations in response to COVID-19.

110. **Fore Hadley Foundation** - $3,000 to provide emergency financial assistance for families with a child in an area neonatal ICU.

111. **Forever Fed, Inc** - $5,000 to cover costs of increased food purchases and distribution to more clients in Cherokee county.

112. **Foundation of Wesley Woods** - $10,000 to provide grocery gift cards to vulnerable residents of two South Atlanta HUD communities.
113. **Frazer Center** - $11,050 for learning support for families with children with disabilities.

114. **Friends of Disabled Adults and Children (FODAC)** - $20,000 to help FODAC to continue to provide medical equipment and supplies to area hospitals and clinics during the crisis.

115. **Friends of Gwinnett Seniors, Inc.** - $5,000 to cover costs of the food delivery service to seniors.

116. **Fugees Family, Inc.** - $20,000 to support refugee students and their families with academic instruction, food and public health information translated in several languages.

117. **Fulton Education Foundation** ($300,000) takes a needs-based approach for students of Fulton County, especially those experiencing homelessness, in foster care or living in motels, who face challenges including food insecurity and access to health supports. The grant will contribute to the costs of housing, food, and therapy for 1,765 Fulton County students presenting the greatest needs – experiencing homelessness, living in foster care or living in motels and connectivity and devices for virtual learning for Fulton County students.

118. **Furniture Bank Metro Atlanta** - $5,000 to purchase beds for low-income, new residents of homes in the region.

119. **Future Foundation** - $20,000 to provide virtual student learning, tutoring, technology devices, internet connectivity and access to food.

120. **Gateway and Evolution Center** (GWC) ($150,000) serves a critical role in providing services to the people experiencing homelessness as the entry point to City of Atlanta’s Continuum of Care, including shelter, access to showers and laundry facilities, information on the COVID-19 virus and its symptoms, safety precautions and knowledge of access testing. Due to stay-at-home orders and the closing of some community kitchens, GWC is now serving additional meals and seeing an expanded population of individuals needing services. This grant will allow the agency to continue to provide services to the homeless population residing in their shelter and additional personnel costs. Serving the homeless population is critical in our region’s effort to flatten the curve.

121. **Georgia ACT** (Advancing Communities Together) - $75,000 to provide emergency financial assistance and eviction relief in its multi-county service area.
122. **Georgia Advancing Communities Together, Inc.** - $40,000 to provide direct rental/mortgage assistance to residents with priority given to those living in unsubsidized units and homeless persons.

123. **Georgia Asylum and Immigration Network (GAIN)** - $20,000 for emergency financial assistance for families receiving legal assistance.

124. **Georgia Care Connection Office, Inc.** DBA Georgia Cares - $5,000 to cover costs for modified operations and increased demand for services.

125. **Georgia Center for Nonprofits** - $50,000 for technical assistance provided to nonprofits.

126. **Georgia Charitable Care Network Inc.** - $100,000 to provide telehealth support for up to 26 metro-Atlanta area charitable clinics.

127. Georgia Foundation for Early Care and Learning - As the nonprofit arm of the Georgia Department for Early Care and Learning (DECAL), the **Georgia Foundation for Early Care and Learning** ($250,000) is providing direct assistance to the network of childcare providers and the families they serve by addressing two critical needs: childcare coverage for essential workers and financial assistance for child care providers. Essential workers are scrambling to find childcare during the crisis and many are not equipped to pay the cost, so this grant will help the organization provide additional child and parent services scholarships. The grant will also enable one-time incentive payments to both open and closed childcare programs to help cover staff costs and purchase necessary supplies.

128. **Georgia Gwinnett College Foundation** – ($25,000) More than 60-percent of Georgia Gwinnett College (GGC) students are Pell-eligible. Due to COVID-19, many students need housing assistance, food, personal care products and other basic needs. GGC has established a Student Emergency Fund to support students whose education might be derailed due to the pandemic. The Fund is addressing student needs for food, gasoline, housing, rent and utilities, essential items that students need to keep them functional and enrolled. This grant will contribute to the emergency fund to meet essential student needs.

129. **Georgia Highlands Medical Services** - $20,000 to provide drive-thru medical screenings and services at all of its sites.

130. **Georgia Hispanic Chamber of Commerce Business Development Center, Inc.** - $100,000 for technical assistance and financial assistance for small businesses.
131. **Georgia Hope Inc** - $5,000 to continue providing and securing homes for children and youth in foster care.

132. **Georgia Legal Services Program, Inc.**  
- $50,000 for increased need in legal services for tenants in danger of eviction due to the crisis.  
- $100,000 to support and meet the increased demand for emergency financial assistance, eviction filings and legal representation in the region.

133. **Georgia Organics** - $30,000 to help with efforts to connect organic farmers to means of filling gaps in food distribution.

134. **Georgia Public Broadcasting** – (GPB Education) ($50,000) Within a week of the first school closures in March, GPB Education began providing expanded free services and resources to educators, students and families. They partnered with the Georgia Department of Education to launch Georgia Home Classroom, which includes a library of digital learning resources that adhere to the state’s standards for fostering at-home learning across all subjects and grade levels. GPB Education is also providing a daily e-newsletter to 50,000+ subscribers with recommendations on learning activities and opportunities, and weekly live webinars offering instructional strategies for remote learning. This grant will support extended services beyond the academic year and will provide educational support for families without technology and/or internet access and help mitigate what potentially may be a five-month learning loss for students who don’t have access to educational content.

135. **Georgia State University Foundation** – ($100,000) Georgia State University (GSU) has established an Emergency Assistance Fund to provide aid to students who need immediate resources and support during the pandemic. GSU serves a particularly vulnerable population of students – nearly 60 percent are Pell-eligible with a median family income under $27,000. GSU has a streamlined, rapid response system in place where they can verify, document and award emergency funds to students in need within 24-48 hours. This grant will support GSU’s emergency funds that can be deployed to students immediately to alleviate housing and food insecurity and help fill in the gaps for other basic emergency needs. Awards to date have ranged from $250 to $1,000.

136. **Gigi's House, Inc** - $5,000 to cover the increased costs for food for the residents of the shelter due to the shelter in place order.

137. **Girl Scouts of Greater Atlanta** - $20,000 for virtual programming for members and non-members focused on STEM, entrepreneurship, life skills and the outdoors.
138. **Giving Kitchen** ($250,000) provides emergency assistance to food service workers through financial assistance and a connection to community resources. Requests for assistance are currently 20 times higher due to the COVID-19 crisis and its direct impact on this industry. The grant will support increased requests for assistance for food service workers in crisis who are unemployed currently, many of whom are experiencing other personal, family or health crises while mitigating the ramifications of COVID-19.

139. **Good News at Noon** - $10,000 to cover costs of modified operations due to COVID-19 in Barrow, DeKalb, Forsyth, Gwinnett and Hall counties.

140. **Good News Clinics, Inc.** - $10,000 to cover costs of increased telehealth services, PPE for in-person treatment and screenings and curbside prescription services for residents of Hall County.

141. **Good Samaritan Health Center** - Since 1995, **Good Samaritan Health Center** ($250,000) has provided high-quality health care for residents of the region, regardless of their ability to pay. Serving as a frontline health facility, Good Samaritan is experiencing the combined burden of having to boost its capacity to care for more patients, while dealing with the added costs of mitigating increased health and safety risks to its staff. Grant funding will alleviate these added costs and provide additional support funding during reduced income streams.

142. **Good Samaritan Health Center of Cobb, Inc.** - $25,000 for costs related to COVID-19 testing and triage, PPE and lab supplies, telehealth and COVID-HVAC upgrades.

143. **Good Samaritan Health Center of Gwinnett** - $40,000 for provision of COVID-19 screening and referral for testing and provision of emergency dental services for residents in its service area.

144. **Goodr** ($250,000) provides food for those in need and recognizes that school meals are the only source of nourishment for many underprivileged children. Even with school-based food pickup options for students, many parents are now out of work, do not have reliable access to transportation and have an increased need for food in their homes. With an uptick in requests, Goodr is working to support more families and senior homes to help them through this pandemic and has hired additional drivers to deliver groceries and ready-to-eat meals. The grant will cover 30 days of service to more than 100 families in the community. Goodr is a B-corp that is receiving fiscal sponsorship from the Trust in Giving Foundation for this grant and other philanthropic support. COVID response and recovery will require new cross-sector partnerships like these to support the vitality of our region.
145. **Great Promise Partnership** - $15,000 for emergency financial assistance for students who have lost employment.

146. **Greening Youth Foundation, Inc.** - $10,000 for youth stipends and technology resources to support employment continuity.

147. **Grove Park Foundation Inc.** - $35,000 for emergency financial assistance for families to maintain stability in housing.

148. **Gwinnett Coalition for Health and Human Services** - $40,000 to cover costs of providing leadership to a local coalition and providing direct services to residents of Gwinnett county.

149. Gwinnett County Public Schools Foundation - [Gwinnett County Public Schools Foundation](#) – ($200,000) Gwinnett County Public Schools (GCPS) has been continuing students’ education by providing Digital Learning Days for students to receive daily assignments and connect with each of their teachers using the established learning management system, called eClass. About 10 percent of students (18,000 students) have not yet logged into their eClass page to view assignments, communication and resources provided by their teachers, largely due to lack of internet access. This grant will enable GCPS to purchase hot spots and internet service plans for families in need and to provide ‘Play 2 Learn’ packets with books and activities for parents of children under age 5 who would normally be served in childcare centers.

150. **Gwinnett Housing Corporation** (dba: Lawrenceville Housing Authority) - $25,000 to provide food, financial assistance and preserving housing for 40 renters, 40 residents of extended stay shelters and 40 homeowners for the next 90 days.

151. **Hands of Hope Clinic** - $20,000 to continue providing in-person care and to establish telehealth services in Henry county.

152. **Hands On Atlanta, Inc.** - $40,000 to assist with Atlanta Public Schools food distribution activities.

153. Harvest Rain Early Learning Academy, Inc. - $50,000 for scholarship and tuition assistance for childcare, online resources for children at home and grocery store gift cards for families.

154. **Haven of Light International, Inc.** - $16,575 to expand its technology-based connection services with its clientele and increase its food support for women who have recently escaped domestic violence.
155. **HEAL; or HEALing Community Center** - $20,000 to cover the costs of establishing telehealth services for primary care and behavioral health; and provide on-site COVID-19 testing.

156. **Hearts to Nourish Hope** ($150,000) was established in 1995 to meet the needs of high-risk populations in Clayton and Gwinnett counties in areas of education, workforce development, housing and essential needs. Grant funding will go toward housing support for families with children, senior citizens and those most vulnerable during this time. Specifically, funds will help provide housing and utilities with a focus in the Southern Crescent, an underserved part of the region.

157. **Helping Hands Computers Outreach Inc.** BDA Helping Hands Outreach - $20,000 for its increased telemedicine system for low-income children and families in Rockdale county.

158. **Helping In His Name Ministries, Inc.** - $10,000 to support drive thru services for their food distribution efforts.

159. **Helping Mamas** ($75,000) is the baby supply bank for metro Atlanta and much of north Georgia, providing diapers, wipes, formula, other baby supplies, and hygienic and health supplies to local nonprofits that distribute them directly to families. Helping Mamas has seen a drastic increase in the demand for their services and are currently distributing nearly 15,000 diapers a day, including to new partners like Communities in Schools of Atlanta, DFCS offices, Sheltering Arms and the YMCA. Grant funding will help the organization meet this heightened demand and increased staff support required to respond to the need.

160. Henry W. Grady System Foundation, Inc. - Since 1994, the **Grady Health Foundation** ($315,000) has worked with philanthropists, corporate leaders and civic activists to raise critical dollars and secure in-kind (product) donations to benefit the Grady Health System. In response to the COVID-19 crisis Grady Health System will launch a text and phone campaign to enroll up to 10,700 patients in Grady’s mail order pharmacy program, at no cost to the individual, to reduce potential exposure for those most at risk and limit the spread of the coronavirus in the region. This grant will fill financial gaps to enable Grady to fully support this effort.

161. **Hi-Hope Service Center** - $19,000 for continued services and staffing of its programming for people experiencing homelessness.

162. **Hispanic Alliance GA** - $10,000 to cover modifications in service provision in Hall county due to COVID-19.
163. **HOPE Atlanta** ($150,000) provides mental health services, family reunification, emergency hotel placement and permanent housing for people experiencing homelessness in the region. Due to the crisis, organizations providing homeless services are in dire need for additional shelter capacity through hotel and motel rooms. This grant will support efforts to provide safe and isolated locations for those that are high risk or have been exposed to COVID-19 with access to hygiene products, private bathrooms and food.

164. **Hope for Youth, Inc.** - $4,000 for online curriculum and tech resources.

165. **Hope thru Soap, Inc.** - $20,000 to continue providing services to people experiencing homelessness.

166. **Horizons Atlanta** - $15,000 to cover the costs of providing meals to 850 students per day.

167. **Hosea Helps** (formerly Hosea Feed the Hungry) ($200,000) works with families in the City of Atlanta to prevent homelessness, address hunger in children and to ensure that individuals in poverty or at risk of poverty have financial resources and tools to become stable. Because of COVID-19, Hosea Helps has increased distribution of food and supplies while also assisting partner organizations. The grant will help cover the costs of purchasing food for box distribution to 19,000 individuals, rent/mortgage assistance for 65 individuals/families, and increased staffing and equipment costs to be able to serve additional individuals and families in need.

168. **House of Cherith, Inc.** - $30,000 to continue providing housing and wrap around supports to victims and survivors of human trafficking.

169. **Housing Justice League** ($40,000) works with renters and homeowners to self-organize and defend their right to remain in their homes and neighborhoods, primarily in the Peoplestown neighborhood in Atlanta. Its COVID-19 response includes ensuring low-wealth residents are receiving timely, accurate and useful information about the pandemic and how to report dangerous landlord behavior through a COVID-19 Hotline. Through the Hotline residents can get updates on housing policy changes, access community resources and receive tenant organizing advice and assistance. Assistance is available in multiple languages. The grant will cover the cost of additional capacity for the COVID-19 Hotline.

170. **Housing Plus, Inc.** (HPI) ($125,000) is a comprehensive solution to homeless issues in the greater Atlanta area. Due to COVID-19, HPI has moved to digital platforms to address safety concerns while focusing on rapidly rehousing and providing basic needs support to individuals experiencing or fleeing from domestic violence and trafficking
situations. All referrals come from a network of pro-bono law firms. Funding will support efforts to serve these vulnerable individuals and help to reduce the number of families who will be facing eviction and homelessness in the coming weeks.

171. Initiative for Affordable Housing, Inc. - $25,000 to provide housing and ancillary social services for homeless families in DeKalb County.

172. Innovative Solutions for Disadvantage and Disability (ISDD) ($50,000) provides support including case management, support groups, training and in-home tutoring to low-income, senior-headed households that include children with special needs. The average age of ISDD’s caregivers is 60, and many have an underlying health condition, such as diabetes or hypertension, which puts them at particular risk during the COVID-19 pandemic. This population is usually overlooked by existing systems. This grant will help ISDD provide food to these families and support their other needs, such as laptops for children to participate in school.

173. Inspiritus (formerly Lutheran Services of Georgia)
- ($150,000) serves families and individuals whose lives have been disrupted, a population that includes children and families, refugees and immigrants, people with developmental disabilities and individuals affected by natural disasters who are particularly vulnerable during the COVID-19 crisis. The grant will support rent and utilities assistance and food, household, medical and sanitizing supplies to meet the urgent needs of the individuals and families they serve across Metro Atlanta.
- $100,000 to meet the increased demand for emergency financial assistance in its multi-county service area.

174. International Community School - $15,000 to provide basic needs for children and families.

175. International Rescue Committee in Atlanta (IRC) ($150,000) provides comprehensive case management support for refugee and immigrant populations throughout the greater Atlanta region. Staff has now transitioned to virtual service for clients. Due to travel restrictions, admission of refugees to the U.S. has been halted and IRC anticipates a reduction in federal funding. The grant will allow IRC to continue to provide resources including healthcare and employment benefits for immigrants and refugees.

176. Jewish Family and Career Services - In response to the coronavirus pandemic, Jewish Family and Career Services ($200,000) has implemented telehealth and alternate options for critical services and has expanded emergency assistance services. For all clinical services, including mental health counseling, substance abuse counseling, support groups and assistance for domestic violence victims and survivors, individual
and group sessions are available through telehealth phone sessions or via video conference. Emergency assistance services being provided include financial health and food for those with increased needs due to job losses, increased medical costs or childcare expenses. Based on current call volume, the organization could provide $716,250 in emergency financial assistance in 90 days, as well as $50,000-$100,000 in food costs. The grant will help support these increased costs.

177. **Just Bakery of Atlanta** - $40,000 for employment support for business operations.

178. **Just People** ($100,000) has had to cancel all social events, suspend their day program, close administrative offices and cut staff salaries. All non-critical medical appointments have been postponed while therapy and psychiatric appointments have transitioned to online or phone appointments. To date, 32 of Just People’s clients – live-in adults with developmental disabilities, traumatic brain injuries and mental illnesses - have been laid off or fired from their jobs, making it impossible for them to pay their rent and utilities or purchase food. Just People has created a “store” for clients to shop (at no cost) for toiletries, frozen and canned food, snacks, drinks and staples like bread, milk and fruit. This grant will address the increased need for rent and utilities support.

179. **KIPP Metro Atlanta Schools** ($100,000) is a network of 10 tuition-free, public charter schools that offer college-preparatory education in Atlanta’s educationally underserved communities, serving 4,600 students and 800 alumni in college. KIPP Metro Atlanta is not receiving COVID-19 emergency supports through the Georgia Charter Schools Association, Atlanta Public Schools or Fulton County Schools. Due to COVID-19, KIPP students need access to laptops and the internet for successful long-term distance learning. This grant will help provide students access to laptops, IT support and internet access, distance learning transitioning supplies and curriculum and emergency funding for families of students and alumni.

180. **LaAmistad, Inc.** ($100,000) assists 300 Latino students and their families annually. Many students qualify for free/reduced lunch programs, and their parents largely work low-income jobs that are now being severely reduced. During the COVID-19 crisis, LaAmistad’s staff has had weekly calls with families served to determine specific needs for each, which include rent support, medical care and online tutoring. This grant will allow LaAmistad to provide approximately two weeks of emergency food supplies to the families it serves.

181. **Latin American Association**
   - $50,000 emergency financial and employment assistance for Latinx individuals and families.
   - $150,000 to meet the increased demand for emergency financial assistance in its service area.
182. **Latino Community Fund**
   - ($125,000) supports Latino-serving nonprofits and individuals in Georgia with advocacy, program development, technical assistance and collective investments. This grant will support an Emergency Assistance Fund to support families in crisis in five counties through an expanded network of more than 10 partner organizations, and will enable the organization to be a clearinghouse for resources, materials and documents relevant to the Latinx community.
   - $200,000 to provide emergency financial assistance for Latinx communities throughout Greater Atlanta in partnership with grassroots Latinx organizations.

183. **Leap Year** - $10,000 to support second graders with reading challenges and at-risk graduating high school seniors.

184. **Lilburn Cooperative Ministry Inc** - $25,000 to cover the costs of a 5-fold increase in the number of families being served weekly.

185. **Literacy for All** (LFA) ($60,000) connects the Georgia literacy community to innovate, champion and fund multi-generational literacy opportunities. Many low-income families around the state do not have internet service needed for their children to actively engage in online learning and continue their education consistently during this crisis. LFA started an Emergency Connectivity Initiative, partnering with the Georgia Department of Education (GaDOE), Governor’s Office of Student Achievement, the Georgia Public Library Service and other organizations to address this urgent need. This grant will allow matching funds for LFA to purchase approximately 1,000 Wi-Fi devices with coverage plans to support families in need through the next 60 days.

186. **liveSAFE Resources, Inc.** - $20,000 to continue providing shelter for the unhoused and a safe environment for its staff and clients.

187. **Local Initiatives Support Corporation** - $100,000 for a small business grant and loan fund.

188. **Los Niños Primero, Inc.** - $50,000 for emergency financial assistance for immigrant families.

189. **Loving Arms Cancer Outreach** (LACO) - $10,000 to provide emergency financial assistance for patients with cancer.

190. **Lutheran Church of the Redeemer** - $10,000 to provide food and accurate COVID-19 related information to seniors, people experiencing homelessness.
191. **Making A Way Housing** - $15,000 to provide safe and affordable housing for people with compromised immune systems and therefore higher risks for contracting COVID-19.

192. **Marietta City Schools** (MCS) ($75,000) response to students’ basic needs initially focused on feeding the thousands of children who depend on school for meals. Sixty percent of MCS students qualify for free/reduced lunch. The school system served more than 65,000 meals March 16 through April 3. Another immediate need is to keep students connected to learning, many of whom do not have Wi-Fi or devices needed for distance learning. MCS has purchased six months of Wi-Fi connectivity and has loaned 3,000 computers to ensure students can stay connected to learning during the closure. This grant will contribute to the $150,000 cost of connectivity for approximately 700 students who currently don’t have access.

193. **Martin Luther King Jr. Center For Nonviolent Social Change Inc.** - $25,000 to support the King Center's provision of services and information to the African American community.

194. **Meals on Wheels Atlanta** ($150,000) provides healthy meal delivery to elderly and health-challenged residents in Fulton County. In the wake of the coronavirus pandemic, it is tripling its production to over 35,000 meals per week and preparing to deliver bulk supplies of emergency meals each week to seniors’ homes. This grant will be used to hire temporary staff, rent additional freezers, and purchase more cooking equipment, food and supplies.

195. **Mending The Gap Inc** - $5,000 to cover costs of the food delivery service to seniors in Gwinnett county.

196. Mercy Care - Established in 1985, **Mercy Care** ($150,000) provides compassionate, clinically excellent healthcare to those in need, with special attention to the poor and vulnerable. Mercy Care is working with multiple partners and agencies to ensure the homeless community, especially the street-bound population, have access to the necessary health services to test and treat individuals with COVID-19. The grant will help cover the additional costs of Mercy Care’s expanded services and efforts to address COVID-19, including expanded telehealth services.

197. **Mercy Housing Southeast** - $30,000 for restocking food and supply pantries, deep cleaning of properties, and staff support.

198. Meridian Educational Resource Group d/b/a Whitefoord, Inc. - **Meridian Educational Resource Group d/b/a Whitefoord, Inc.** ($243,000) For 24 years Whitefoord has focused on ensuring children are healthy, safe and prepared for school through early
childhood education and health services. Whitefoord’s two clinics have remained open to meet the basic health needs of the community, including offering COVID-19 testing as well as dental, mental health and physical health services. During the crisis, Whitefoord has implemented phone-based screenings, telehealth capability and online education resources for families while school is closed. The grant will help fund the continuation of these services for Whitefoord’s population, more than 28% of whom are low income with increased need for social safety net programs.

199. Metamorphasis Powerhouse Company, Inc. - $4,000 for virtual learning for students, career development services and technology support for older adults.

200. Metro Atlanta Urban Farm - $10,000 for work to support farmers in metro Atlanta.

201. Metropolitan Counseling Services ($90,000) provides affordable mental health services for the residents of Georgia. Prior to the crisis, more than 90% of the mental health services provided occurred through in-person individual and group interactions. Given the social distancing measures established, counseling has shifted to technology-based forms, which is difficult for both the clients and the therapists. This grant will support the increased cost for services, including supervisory consultation, staff training, client assistance and software enhancements.

202. Midtown Assistance Center (MAC) - $25,000 for emergency financial assistance.

203. Midwest Food Bank – Georgia ($50,000) (MFB) works to alleviate hunger and malnutrition locally and throughout the world and provide disaster relief without discrimination. MFB currently serves more than 300 nonprofit organizations in the Southeast, 270 of those in the Atlanta area, serving nearly 155,000 individuals and families each month. The grant will help cover an anticipated 35 percent increase in food demand and distribution due to the COVID-19 crisis.

204. Miles for Cystic Fibrosis - $10,000 to provide emergency financial assistance for families with a family member who has cystic fibrosis.

205. Mosaic Georgia - $25,000 to provide specialized services and support to increasing numbers of victims and survivors of intimate partner violence and abuse.

206. Motivation Forward Inc. - $10,000 to cover the costs of modified operations in response to COVID-19.

207. Multi-Agency Alliance for Children, Inc. - $15,000 to provide emergency financial assistance for youth and families in foster care.
208. **MUST Ministries** ($150,000) provides healthy food via 39 food pantries embedded in schools throughout the City of Marietta, Cobb County and Cherokee County. MUST Ministries also owns and operates a 72-bed shelter for individuals and families struggling with homelessness. In response to the COVID-19 crisis, MUST has significantly increased its food pantry operations from serving 400 families in a normal week to 3,500 families last week. This grant will support the increase in needed services.

209. **My Fellow Man** - $3,000 for emergency financial assistance and food.

210. **NAACP Atlanta Branch** - $30,000 to cover the costs of providing basic services and accurate information to residents of South Fulton County.

211. **National Church Residences Foundation** (NCR) ($95,000) provides high-quality care, services and residential communities for seniors. The organization’s topmost priority is to ensure the basic care needs of its senior residents are met. For the 1,465 Atlanta residents served, NCR is guaranteeing residents have food, paper products and cleaning supplies. NCR will also partner with Fulton County Senior Services to use its Big Bethel Village commercial kitchen as a food preparation and delivery hub to deliver over 300 meals to greater Atlanta seniors to three communities (one meal per day). In order to do so, the kitchen must be completely cleaned and disinfected to meet food safety standards and repairs need to be made to the existing commercial refrigerator and freezer for food storage, and the grant will support these added costs.

212. **Neighbor in Need, Inc.** - $5,000 to cover costs of the food delivery service to seniors in East Lake, Kirkwood and Edgewood.

213. **New American Pathways** - $35,000 for emergency financial assistance, language services and case management.

214. **New Life Community Ministries** - $20,000 to provide food boxes to residents of South DeKalb County.

215. **Next Generation Focus, Inc.** - $17,500 to provide access to technology, tutoring and mentoring.

216. **Nicholas House, Inc.** ($75,000) supports low-income families experiencing or at-risk of being homeless in metro Atlanta. Some individuals have mental health conditions or underlying conditions that increase their risk for COVID-19, such as HIV/AIDS, diabetes and high blood pressure. The organization maintains a shelter and also provides rental assistance for clients living in apartments. This grant will help to cover the costs of food, sanitation supplies, emergency assistance to families facing eviction.
and expanded services to prevent homelessness for more families across the metro Atlanta region.

217. Nobis Works, Inc. d/b/a Tommy Nobis Center - $10,000 to provide case management, counseling, educational resources and COVID-19 information.

218. Noonday Association - $35,000 to cover costs of the food delivery service to seniors in Cherokee, Cobb and Paulding counties.

219. Noor Family Services Corporation - $3,000 for emergency financial assistance, food and transportation.

220. Norcross Cooperative Ministry, Inc. ($200,000) is a coalition of churches that provide services to low-income and homeless families in their community. Prior to the COVID-19 crisis, the cooperative typically served 50 to 70 families per day. Today they have seen a 700 percent increase in families needing support, including past clients whose situations have worsened, new clients who are homeless or live in extended stay hotels and others with vulnerable housing situations. The grant will help to cover rent assistance, temporary lodging, and food for clients for the next 60 days.

221. North Fulton Community Charities - Since 1983, North Fulton Community Charities (NFCC) ($200,000) has addressed homelessness and hunger in North Fulton County, serving nearly 10,000 annually. Due to the current climate, NFCC has had to close their thrift store, their main source of revenue, while seeing a significant increase in need. NFCC is also seeing greater need among self-employed and small business owners. Grant funds will help support restocking food pantries and providing financial assistance to populations including single working mothers, custodial grandparents and immigrant families.

222. North Georgia Community Action, Inc. - $25,000 to provide housing support (rent payments, mortgage assistance and housing subsidies) for the next 90 days.

223. North Gwinnett Co-Op - $30,000 to cover increased costs due to increase in food delivery and emergency provisions.

224. Nothing but the Truth - $3,000 to cover costs of increased food purchases and distribution to more clients.

225. Odyssey Family Counseling Center - $15,000 to provide virtual behavioral health and comprehensive mental health counseling for young people, families and people with intellectual and physical disabilities.
226. Odyssey Inc. - $20,000 for revised virtual summer programming, a tutoring platform and online learning classes.

227. One Roof Ecumenical Alliance Outreach - $10,000 for emergency financial assistance for food, motel vouchers and basic needs.

228. One Talent, Inc. - $10,000 for virtual programming, food and care packages.

229. Open Doors Solutions, Inc. ($150,000) works primarily with those transitioning from homelessness, many of whom are single parents with at least two children, into safe, affordable homes. Open Doors works with landlords and property management companies to help lower barriers to housing access. This grant will support current efforts to provide housing through a referral system and provide rental assistance, freeing up desperately needed capacity in the shelter pipeline.

230. Open Hand Atlanta ($250,000) provides prepared meals and nutrition services for homebound seniors and individuals with critical/chronic illnesses, an audience that is particularly susceptible to COVID-19. Eighty percent of the people Open Hand serves are over the age of 47. The grant will assist general capacity and increased production of frozen meals and shelf-stable boxed items, and increased delivery to seniors who previously obtained their meals at senior centers that are now temporarily closed. Open Hand Atlanta provides prepared meals and nutrition services for homebound seniors and individuals with critical/chronic illnesses, an audience that is particularly susceptible to COVID-19. Eighty percent of the people Open Hand serves are over the age of 47. The grant will assist general capacity and increased production of frozen meals and shelf-stable boxed items, and increased delivery to seniors who previously obtained their meals at senior centers that are now temporarily closed.

231. Operation First Response, Inc. - $20,000 to provide emergency financial assistance to active duty service members, disabled veterans, first responders and their families.

232. Operation HOPE - $15,000 to provide wraparound emergency supports.

233. Our House - $20,000 to provide emergency shelter and emergency assistance.

234. Overcomers House Incorporated - $10,000 for General operating support to cover costs for modified operations and increased demand for services.

235. Partners for HOME - Through their proven track record and partnership with the City of Atlanta, Partners for HOME (PfH) ($300,000) was able to leverage a $1.5 million pledge from the City for their COVID-19 response and action plan to address and assist people experiencing homelessness during this pandemic. PfH seeks to stop the spread
of COVID-19 among shelter populations and house the most vulnerable: those over the age of 55 and those with underlying health conditions. PfH is coordinating with government and nonprofit organizations to provide 250 people with shelter, meals and healthcare for three months. This grant will support this effort that includes isolation beds, comprehensive testing and permanent supportive housing.

236. **Partnership Against Domestic Violence** (PADV) ($10,000) was founded in 1977 to end the crime of intimate partner violence and empower its survivors. PADV is currently still offering shelter services and a 24-hours crisis line, providing safety planning, remote counseling and legal advocacy. This grant will assist those currently facing domestic violence issues via shelter services or emergency motel stays, to ensure housing security and protect children and vulnerable populations from high levels of abuse likely to happen during increasingly stressful periods.

237. **Partnership for Southern Equity** (PSE) ($150,000) works to advance policies and institutional actions that promote racial equity and shared prosperity for all. In response to COVID-19, PSE is re-granting funds to primarily African American-led organizations to provide emergency financial assistance to residents facing food insecurity, unstable housing and precarious physical and mental challenges. High rates of chronic diseases and increased risks of exposure because of work requirements, transportation and housing options combine for devastating effects: while 43% of Fulton County residents are African American, African Americans represent 85% of COVID-19 related deaths in Fulton County. This grant will assist PSE and its partners serving approximately 900 residents in the Pittsburgh and Peoplestown neighborhoods in Atlanta and several neighborhoods in South Fulton county.

238. **PEACE Atlanta, Inc.** - $1,500 to provide PPE and cleaning supplies for residents of its facilities.

239. **Positive Impact Health Centers** - $25,000 to provide for the increasing basic service needs of patients with HIV.

240. **PowerMyLearning** ($200,000) helps students in low-income communities harness the power of digital learning to improve educational outcomes. The organization has already received local requests to support 4,745 students directly from schools representing $2.4 million. This grant will help the organization to meet requests from districts for devices, WiFi, content and support for students experiencing homelessness.

241. **Premier Academy, Inc.** - $35,000 for essential needs for families and virtual engagement opportunities for children at home.
242. **Prevention Plus Inc. dba The Bridge Academy** - $20,000 to provide tutoring, emotional support, access to technology and food.

243. **Project Community Connections, Inc.** - $25,000 for emergency financial assistance to maintain housing after job losses.

244. **Project South** - $20,000 to support food distribution and other services for residents of South Atlanta neighborhoods.

245. **Quality Care for Children (QCC)** ($150,000) serves more than 100,000 children annually through the direct support of childcare providers, both center-based and family childcare. Without assistance during the COVID-19 crisis, many providers will close their doors, never to reopen. QCC is also focused on helping connect essential workers to childcare options and giving childcare providers up-to-date essential information and training to help them weather these times. This grant will support a referral network for essential workers to find licensed care, funding to help childcare programs remain open, costs of meals for children and costs related to training and webinars for childcare providers to learn about how this crisis will impact them.

246. **Quest Community Development Corporation** - $25,000 for housing and financial services.

247. **Rainbow House, Inc.** - $10,000 for housing food, health care, counseling and educational support services for youth in its 24 hours/day 7 days/week.

248. **Raising Expectations** - $20,000 for digital learning supports, emergency financial assistance and access to food.

249. **Raksha Inc.** - $10,000 for emergency financial assistance.

250. **re:imagine/ATL** - $10,000 for emergency assistance, workforce training, mentoring, social-emotional supports, and technology equipment for vulnerable youth and their families.

251. **Real Life Center** ($100,000) provides a safe place for people from all walks of life going through these tough times to access resources that create stability and strengthen families and our community. In response to COVID-19, Real Life Center is offering emergency food assistance to anyone in need in Coweta and Fayette counties, offering pre-bagged uncooked meals with enough food for a week, including produce and meats. The organization is currently serving 250 families a week, which is double the
number of families it typically serves this time of year and expected to rise. This grant will support food supplies and distribution for approximately six weeks.

252. **REAL School Gardens (dba Out Teach)** - $25,000 to support online learning resources for students, families and teachers as well as learning kits being sent home to students to support ongoing engagement in learning.

253. **Red Door Food Pantry** - $25,000 to cover costs for increased services to Bartow County residents.

254. **Reflections of Trinity** - $10,000 to cover the costs of a 25% increase in its food distribution in Cobb, Douglas and Paulding counties due to COVID-19.

255. **Refuge Coffee Co.** - $20,000 for business operation costs.

256. **Refugee Village Corp** - $2,000 for wraparound services for families and academic and technology support for students.

257. **RiverLife** - $5,000 to cover costs of its new food delivery services and other services for seniors and people with disabilities.

258. **Rockdale Coalition for Children & Families** - $10,000 to cover the cost of modified food delivery activities due to COVID-19.

259. **Royal Adult Day Services, Inc.** - $5,000 to cover costs of modified operations due to COVID-19 and to continue support for individuals with dementia and their families.

260. **S.H.A.R.E. House, Inc.** - $15,000 to cover the costs for providing shelter, case management, meals, financial assistance and coordination of community resources for people who are homeless.

261. **SafeHouse Outreach Inc.** - $40,000 to provide meals for people relying on shelters for housing during the crisis.

262. The **Salvation Army's** ($200,000) food pantries remain open with higher demands, and several locations have expanded pantry hours and transitioned to drive-through feeding programs as well as food delivery through mobile kitchens. The Salvation Army is currently serving approximately 1,300 families and 4,000 individuals per week, and expect this to increase. Demand has increased at their two shelters in Atlanta and in the rapid re-housing program in Gwinnett. The grant will support these services and the increase in rent/utility assistance requests from those that are impacted by job loss or reduced hours due to COVID-19.
263. **Scottdale Early Learning** - $50,000 for increased support for families.

264. **Second Helpings Atlanta** - $25,000 to cover modifications in operations and increased service requests.

265. **Ser Familia**
   - ($100,000) Ser Familia is dedicated to strengthening Latino families through programs that support healthy family environments, as one of the only sources of counseling provided in Spanish in the state. Many of Ser Familia’s clients work in hospitality and construction, some of the first sectors to be impacted by furloughs and layoffs. Group counseling sessions (including domestic violence support groups) are now limited to 10 people per session, which has led to an increase in the number of sessions and increased staff hours. This grant will increase the organization’s capacity to continue providing no-cost mental health counseling in Spanish, as well as provide food, emergency assistance and transportation for people who have been denied services from other emergency assistance providers who require a state ID or social security number.
   - $150,000 to meet the increased demand for emergency financial assistance.

266. **Serv International** - $10,000 to support food distribution efforts in Canton.

267. **Sheltering Arms, Inc.** ($250,000) serves vulnerable infants, children and their families throughout metropolitan Atlanta. This grant will help the organization respond to the on-going needs of Sheltering Arms’ families for support, including Family Support Coaches to help families navigate resources and systems; purchasing and distributing diapers, wipes, formula and other goods for the hygienic needs of families; continued learning, development and family engagement; and the development of a food pantry to ensure that families are able to access food during the crisis.

268. **Showcase Group** - $20,000 to provide telehealth and reentry services for incarcerated youth, recently released young people and their families.

269. **Sickle Cell Foundation of Georgia, Inc.** - $30,000 to cover the costs of modifying its service provision for people with sickle cell disease throughout the region.

270. **Single Parent Alliance and Resource Center** (SPARC)
   - ($50,000) SPARC was founded by an African American single mother to work with single parents to provide the necessary tools, resources and support to create a healthy and nurturing home environment. SPARC is a placed-based agency that works directly in the apartment complexes in which their clients live. Since the COVID-19 outbreak SPARC has called over 100 single parents to assess their immediate needs.
This grant will help provide emergency food as well as financial support to prevent eviction and utility shut off for single parent families, 90 percent of whom are parents of color.
- $100,000 to meet the increased demand for emergency financial assistance and rehousing services.

271. **Sisu of Georgia Inc** - $50,000 for telehealth therapy services.

272. **Soldiers’ Angels** - $10,000 to provide services to vulnerable veterans in the region.

273. **Southeast Gwinnett Cooperative Ministry** - $40,000 to cover costs of uptick in food provisions for new clients who reside in SW Gwinnett County.

274. **Southerners On New Ground** (SONG) ($38,400) is a resource for LGBTQ liberation across all lines of race, class, abilities, age, culture, gender and sexuality in the South. SONG’s response to COVID-19 includes broadening its usual service populations to include Black men and children, and the organization is now serving people ranging in age from 6 – 55 years. SONG’s response has two primary efforts – advocating for the release of people held in Fulton County jails to help prevent the spread of the disease and coordinating the neighborhood Mutual Aid efforts in the West End and Mechanicsville neighborhoods. The Mutual Aid work includes providing food and hand sanitizer to the unsheltered and emergency financial assistance and political education to young people. This grant will enable this work to continue for the next three months.

275. **Southside Medical Center** ($250,000) serves more than 45,000 people annually, providing services on a sliding-scale fee. More than five percent of Southside’s patient population are served in a language other than English and more than 57 percent live on low income up to 100 percent of the federal poverty level. During this time, Southside Medical Center will continue to see patients when clinically necessary at 11 locations throughout metro Atlanta - with walk-in sites operating in Butts, Clayton, Coweta, DeKalb and Fulton counties. Southside is maximizing the use of telemedicine services to lessen patient wait times in clinics, and to use directly with those who can (or should) shelter-in-place at home. Additionally, Southside is collaborating with state efforts around COVID-19 by utilizing its mobile medical unit to provide rapid response testing.

276. **SPARK Reproductive Justice Now!, Inc.** - $15,000 to provide accurate medical information, referrals to safe support and treatment resources, and feminine hygiene and personal products for LGBTQIA+ communities of color in metro Atlanta.
277. **Special Needs Respite, Inc.** - $5,500 for respite care for families with children with special needs.

278. **St. Vincent de Paul Georgia**  
   - ($150,000) serves more than 100,000 families per year throughout the metro Atlanta region providing emergency financial assistance and food through its 36 pantries. The organization is seeing an enormous increase in requests for both financial assistance and food. Its ability to respond is being severely impaired by social distancing measures implemented throughout the region. This grant will help to provide direct financial assistance to people furloughed or unable to work in hourly positions and to purchase bulk food from retailers to stock food pantries.  
   - $100,000 to meet the increased demand for emergency financial assistance in the region.

279. **Star-C Programs**  
   - $45,000 to support efforts to negotiate rent forgiveness and reduction due to the economic impacts of COVID-19.  
   - $100,000 to support emergency financial assistance, housing and eviction relief.

280. The **State Charter Schools Foundation of Georgia** ($200,000) provides support and funding to state charter schools throughout Georgia, including 18 schools located in the greater Atlanta community, who serve nearly 9,000 students. These schools are providing distance learning to students while they are closed and ensuring equitable access is crucial – the most critical needs are technology devices and internet access for low-income students and remote tutoring for at-risk students. The grant will allow the organization to purchase technology devices and pay for internet access for 1,341 low-income students and provide remote tutoring services for 905 high-risk students for six weeks.

281. **Street Grace** - $15,000 to provide emergency financial assistance for survivors of child sex trafficking.

282. **Sustainable Norcross Inc.** - $10,000 to cover costs of modified operations due to COVID-19.

283. **Sweetwater Mission** ($155,000) provides food, clothing, education and support services to neighbors in need. It is distributing food in response to the crisis - each car receives 50 pounds of bread, eggs, meat, milk and additional items, and 60 pounds if there are children in the home. Sweetwater is providing food to an average of 85 families in need per day and grant funding will assist while need continues to increase as the effects of the virus are experienced.
284. Tahirih Justice Center, Atlanta - $25,000 to provide emergency financial support to immigrant survivors of gender-based violence

285. Tallatoona Community Action Partnership, Inc. - $20,000 to provide emergency financial assistance.

286. Tapestry, Inc. - $20,000 to provide emergency financial assistance to refugee and immigrant survivors of domestic violence and human trafficking.

287. Teach "O" Rea Preparatory Preschool - $35,000 for family outreach including home learning materials and food.

288. Technical College System of Georgia Foundation - $50,000 for emergency needs and for digital devices to engage in distance learning.

289. The Atlanta Masjid of Al-Islam - $15,000 for General operating support to cover costs of delivering weekly halal meals to 500 seniors in East Atlanta.

290. The Boyce L. Ansley School - $10,000 for tablets, learning packets, food, transportation and virtual supports for homeless students and their families.

291. The Center for Children & Young Adults - $25,000 for increased staffing to meet the needs of homeless youth.

292. The Davis Direction Foundation - $10,000 for General operating support grant to cover costs of its new food delivery services and other services for people experiencing homelessness.

293. The Edge Connection - $25,000 for General operating support for education, coaching and mentoring for business owners and entrepreneurs.

294. The Global Village Project, Inc. - $5,000 for General operating support for technology kits, food and emergency assistance.

295. The Greater Piney Grove Community Development, Inc. - $5,000 for General operating support to cover costs of modified operations due to COVID-19.

296. The Herman J Russell Center for Innovation & Entrepreneurship - $100,000 for small business supports.

297. The nsoro Educational Foundation, Inc. - $40,000 to provide wraparound supports for students who came of age in the foster care system.
298. The Path Project, Inc. - $17,500 to provide books and laptops for students.

299. The Place of Forsyth County - $10,000 for emergency financial assistance.

300. The Posse Foundation - $20,000 for virtual pre-collegiate training workshops, emergency support and assistance for both pre-college and college scholars.

301. The Salvation Army’s ($200,000) food pantries remain open with higher demands, and several locations have expanded pantry hours and transitioned to drive-through feeding programs as well as food delivery through mobile kitchens. The Salvation Army is currently serving approximately 1,300 families and 4,000 individuals per week, and expect this to increase. Demand has increased at their two shelters in Atlanta and in the rapid re-housing program in Gwinnett. The grant will support these services and the increase in rent/utility assistance requests from those that are impacted by job loss or reduced hours due to COVID-19.

302. The Salvation Army of Gainesville - $20,000 for increases in provision of its core services in the region.

303. The Scholarship Academy - $40,000 for the virtual scholarship center, counseling, emergency aid and technology access.

304. The Study Hall, Inc - $10,000 to cover costs of modified operations due to COVID-19.

305. Together Friends Organization Inc. - $2,000 for a virtual summer experience focused on math and science.

306. Treasure House, Inc. - $10,000 to provide emergency financial assistance, childcare, housing support and food assistance to families with children.

307. TriCities Arts Alliance, Inc. (Guidestar by EIN 813973326 - Ace Auto Finance) - $5,000 for General operating support to provide emergency financial assistance for artists.

308. Truancy Intervention Project Georgia, Inc. - $10,000 for vulnerable students in need of specialized assistance based on school social workers and emergency financial assistance.

309. Urban League of Greater Atlanta (ULGA) - $30,000 to provide emergency financial assistance for basic needs, health and housing.
310. **Urban Recipe** - $25,000 to cover costs of its new food delivery services and extended pantry hours.

311. **Usher's New Look** - $60,000 for a virtual learning academy and emergency financial assistance.

312. **Visiting Nurse** - $50,000 to cover the costs of increased numbers of appointments (travel costs, PPE, treatment supplies, etc.) for elderly residents of metro Atlanta.

313. **Wellspring Living** ($195,000) Wellspring Living supports domestic sex trafficking victims, and those at risk, with specialized recovery services through four residential programs, two community-based programs and graduate services. During the COVID-19 crisis Wellspring Living’s community programs are supporting participants virtually and residential programs remain in operation, requiring the need for hiring clinical support staff and providing personal protective equipment, as well as serving additional food due to increased requests and decreased donations. The grant will support Wellspring Living’s rapid response to these increased service needs as requests for their services continue to rise.

314. **Westside Future Fund** - $25,000 to provide emergency financial assistance, food and basic needs.

315. **Wholesome Wave Georgia** - $20,000 to cover costs of its COVID-19 SNAP outreach for restaurant and hospitality workers project.

316. **Will2Way Foundation Inc** - $4,000 to continue providing services to people experiencing homelessness.

317. **YMCA of Metropolitan Atlanta** ($500,000) provides early education for more than 7,000 children annually at more than 40 centers, partnership sites and afterschool programs across metro Atlanta and northeast Georgia. As most early learning and afterschool programs closed in response to the crisis, the YMCA designed a program to serve children ages 3 to 12 of frontline hospital staff and regional essential employees (law enforcement, fire fighters, grocery store workers, etc.) who must continue working. The grant will support the cost of providing childcare for up to 2,000 children throughout their service area.

318. **Young Life East Atlanta (GA162)** - $10,000 to provide food and financial assistance for 30 new mothers.

319. **Youth Empowerment Success Services** - $45,000 to provide housing and case management support to displaced and homeless youth ages 18 – 24.
320. **Youth Empowerment through Learning, Leading, and Serving, Inc. (YELLS)** - $10,000 to provide emergency financial assistance.

321. **Zion Hill Community Development Center** ($125,000) seeks to promote revitalization and redevelopment of selected areas in metropolitan Atlanta and to empower citizens through economic, residential, social and educational programs. Zion Hill has adapted services from walk-in, face-to-face appointments to an online delivery system. Zion Hill will use grant funding to provide technology and online delivery service addressing transitional housing, rapid rehousing and utility support. In response to the pandemic, Zion Hill has also expanded its service areas from only South Fulton to include City of Atlanta and Clayton counties.
