5. **3D Girls** - $17,500 for care coordination to address feelings of anxiety, depression and isolation.
   - $5,000 to support basic needs for babies and new mothers.

6. **7 Bridges to Recovery** - $25,000 to provide safe in-person learning labs for children during distanced learning with on-site tutors.

7. **Acceptance Recovery Center** - $5,000 to support emergency housing and emergency financial assistance to cover program fees.

8. **Access to Capital for Entrepreneurs** (ACE) ($250,000) provides community economic development to underserved people and communities including women and minority business owners. COVID-19 poses an economic calamity for entrepreneurs in these populations who generally have lower margins and cash reserves. This grant will cover operating costs of ACE’s Emergency Loan Product, providing working capital micro loans of up to $50,000 for current ACE clients along with up to six months of principal and interest payment deferment and technical assistance for clients to apply and secure funding.
9. **Action Ministries** ($100,000) mobilizes communities to address the challenges of poverty by focusing on hunger relief, housing and education. In response to COVID-19, Action Ministries has expanded its child feeding programs and has added new prevention and housing services to those directly impacted by COVID-19. This grant has the potential to reduce the number of children that will be facing food insecurity in the coming weeks and can provide financial assistance to prevent homelessness.

35. **Atlanta Partners For Education (APS Foundation)** ($280,000) Founded in 1981, Atlanta Partners For Education (APFE) has been the Atlanta Public Schools (APS) Foundation for nearly 40 years, serving as the gateway through which the corporate and philanthropic communities support student achievement and develop strategic solutions to challenges that impact APS students and families. The grant will support COVID-19 specific programs in nutrition and technology, providing free meals for students and families and securing laptops and internet access for distance learning.

36. Atlanta Regional Commission - As the Area Agency on Aging for the 10-county metro Atlanta region, **Atlanta Regional Commission** (ARC) ($95,000) issues notifications of funding availability for both the Federal Older Americans Act and state funds to provide direct services to older adults in the region. These are essential services including home delivered meals and congregate meals. ARC is working closely with its providers to find solutions to delivery challenges in the
current climate and develop weekly communication channels with its most
vulnerable clients. ARC also operates the Aging and Disability Resource
Connection through which individuals speak with information and referral
specialists about their needs. The grant will support one month of meal delivery
for 625 seniors.

37. **Atlanta Technical College Foundation** ($100,000) – Due to COVID-19, many Pell-
eligible students need housing assistance, food, personal care products and
other basic needs. Almost 70 percent of Atlanta Technical College (ATC)
students are economically disadvantaged and receive some form of financial aid.
Students are mostly female, many of whom work and are raising children. Since
closing in-person instruction due to COVID-19, ATC has seen a rise in student
need in technology supports, emergency financial assistance and online tutorial
services. ATC has created a Students’ Technology Support Fund and a Students’
Emergency Assistance Fund and expanded its online tutorial services. This grant
will support the added costs related to providing added supports for students.

178. **Frontline Housing** - $50,000 to provide rapid rehousing services for families living in motels and in need of permanent housing.

179. **Fugees Family, Inc.** - $20,000 to support refugee students and their families with academic instruction, food and public health information translated in several languages.

180. **Fulton Education Foundation** ($300,000) takes a needs-based approach for students of Fulton County, especially those experiencing homelessness, in foster care or living in motels, who face challenges including food insecurity and access to health supports. The grant will contribute to the costs of housing, food, and therapy for 1,765 Fulton County students presenting the greatest needs – experiencing homelessness, living in foster care or living in motels and connectivity and devices for virtual learning for Fulton County students.

181. **Furniture Bank Metro Atlanta** - $5,000 to purchase beds for low-income, new residents of homes in the region.

182. **Future Foundation** - $20,000 to provide virtual student learning, tutoring, technology devices, internet connectivity and access to food.
183. Future Foundation - $40,000 for virtual tutoring program for students in Fulton County for both math and language arts, targeting learning loss and challenges to virtual learning for enrolled students.

184. Gateway and Evolution Center (GWC) ($150,000) serves a critical role in providing services to the people experiencing homelessness as the entry point to City of Atlanta’s Continuum of Care, including shelter, access to showers and laundry facilities, information on the COVID-19 virus and its symptoms, safety precautions and knowledge of access testing. Due to stay-at-home orders and the closing of some community kitchens, GWC is now serving additional meals and seeing an expanded population of individuals needing services. This grant will allow the agency to continue to provide services to the homeless population residing in their shelter and additional personnel costs. Serving the homeless population is critical in our region’s effort to flatten the curve.

185. Generation STEM dba The STEAM Generation - $14,000 so that vulnerable and low-income students at Title 1 schools can receive access to in-person, hands-on project based learning and after-school enrichment during this exacerbated period of educational inequities.

189. Georgia Asylum and Immigration Network (GAIN) - $20,000 for emergency financial assistance for families receiving legal assistance.

190. Georgia Care Connection Office, Inc. DBA Georgia Cares - $5,000 to cover costs for modified operations and increased demand for services.

191. Georgia Center for Nonprofits - $50,000 for technical assistance provided to nonprofits.

192. Georgia Charitable Care Network Inc. - $100,000 to provide telehealth support for up to 26 metro-Atlanta area charitable clinics.

193. Georgia Community Support & Solutions, dba InCommunity - $15,000 for the purchase of devices for children of essential workers, specifically those providing direct serve needs to those with intellectual and developmental disabilities.

194. Georgia Foundation for Early Care + Learning - $45,000 to provide critical child care scholarships to children of essential workers in the COVID-19 Relief Fund footprint.
195. Georgia Foundation for Early Care and Learning - As the nonprofit arm of the Georgia Department for Early Care and Learning (DECAL), the Georgia Foundation for Early Care and Learning ($250,000) is providing direct assistance to the network of childcare providers and the families they serve by addressing two critical needs: childcare coverage for essential workers and financial assistance for child care providers. Essential workers are scrambling to find childcare during the crisis and many are not equipped to pay the cost, so this grant will help the organization provide additional child and parent services scholarships. The grant will also enable one-time incentive payments to both open and closed childcare programs to help cover staff costs and purchase necessary supplies.

196. Georgia Gwinnett College Foundation – ($25,000) More than 60-percent of Georgia Gwinnett College (GGC) students are Pell-eligible. Due to COVID-19, many students need housing assistance, food, personal care products and other basic needs. GGC has established a Student Emergency Fund to support students whose education might be derailed due to the pandemic. The Fund is addressing student needs for food, gasoline, housing, rent and utilities, essential items that students need to keep them functional and enrolled. This grant will contribute to the emergency fund to meet essential student needs.

197. Georgia Highlands Medical Services - $20,000 to provide drive-thru medical screenings and services at all of its sites.

200. Georgia Legal Services Program, Inc. - $50,000 for increased need in legal services for tenants in danger of eviction due to the crisis.

201. Georgia Mountains YMCA - $15,000 for providing students access to a safe facility during times the schools are virtual.

202. Georgia Organics - $30,000 to help with efforts to connect organic farmers to means of filling gaps in food distribution.

203. Georgia Partnership for Excellence in Education - $35,000 for state and regional advocacy efforts to examine policy and programmatic issues critical to COVID recovery efforts specifically impacting education outcomes.

204. Georgia Public Broadcasting – (GPB Education) ($50,000) Within a week of the first school closures in March, GPB Education began providing expanded free services and resources to educators, students and families. They partnered with the Georgia Department of Education to launch Georgia Home Classroom, which
includes a library of digital learning resources that adhere to the state’s standards for fostering at-home learning across all subjects and grade levels. GPB Education is also providing a daily e-newsletter to 50,000+ subscribers with recommendations on learning activities and opportunities, and weekly live webinars offering instructional strategies for remote learning. This grant will support extended services beyond the academic year and will provide educational support for families without technology and/or internet access and help mitigate what potentially may be a five-month learning loss for students who don’t have access to educational content.

205. **Georgia State University Foundation** – ($100,000) Georgia State University (GSU) has established an Emergency Assistance Fund to provide aid to students who need immediate resources and support during the pandemic. GSU serves a particularly vulnerable population of students – nearly 60 percent are Pell-eligible with a median family income under $27,000. GSU has a streamlined, rapid response system in place where they can verify, document and award emergency funds to students in need within 24-48 hours. This grant will support GSU’s emergency funds that can be deployed to students immediately to alleviate housing and food insecurity and help fill in the gaps for other basic emergency needs. Awards to date have ranged from $250 to $1,000.

206. **GeorgiaCAN** - $10,000 for advocacy efforts for families of economically disadvantaged students and those with special needs.

207. **Georgians for a Healthy Future** - $15,000 for policy efforts for equitable access to high quality behavioral health services and supports.

208. **Gigi’s House, Inc** - $5,000 to cover the increased costs for food for the residents of the shelter due to the shelter in place order.

209. **Gilgal** - $28,950 for integrated mental health services and staff training for trauma informed care.

210. **Girl Scouts of Greater Atlanta** - $20,000 for virtual programming for members and non-members focused on STEM, entrepreneurship, life skills and the outdoors.

211. **Giving Kitchen** ($250,000) provides emergency assistance to food service workers through financial assistance and a connection to community resources. Requests for assistance are currently 20 times higher due to the COVID-19 crisis and its direct impact on this industry. The grant will support increased requests for assistance for food service workers in crisis who are unemployed currently, many of whom are experiencing other personal, family or health crises while mitigating the ramifications of COVID-19.

212. **Good News at Noon** - $10,000 to cover costs of modified operations due to COVID-19 in Barrow, DeKalb, Forsyth, Gwinnett and Hall counties.

213. **Good News Clinics** – $40,000 for depression screenings and counseling services.
214. **Good News Clinics, Inc.** - $10,000 to cover costs of increased telehealth services, PPE for in-person treatment and screenings and curbside prescription services for residents of Hall County.

215. Good Samaritan Health Center - Since 1995, **Good Samaritan Health Center** ($250,000) has provided high-quality health care for residents of the region, regardless of their ability to pay. Serving as a frontline health facility, Good Samaritan is experiencing the combined burden of having to boost its capacity to care for more patients, while dealing with the added costs of mitigating increased health and safety risks to its staff. Grant funding will alleviate these added costs and provide additional support funding during reduced income streams.

216. **Good Samaritan Health Center of Cobb, Inc.** - $25,000 for costs related to COVID-19 testing and triage, PPE and lab supplies, telehealth and COVID-HVAC upgrades.

217. **Good Samaritan Health Center of Gwinnett** - $40,000 for provision of COVID-19 screening and referral for testing and provision of emergency dental services for residents in its service area.

218. **Goodr** ($250,000) provides food for those in need and recognizes that school meals are the only source of nourishment for many underprivileged children. Even with school-based food pickup options for students, many parents are now out of work, do not have reliable access to transportation and have an increased need for food in their homes. With an uptick in requests, Goodr is working to support more families and senior homes to help them through this pandemic and has hired additional drivers to deliver groceries and ready-to-eat meals. The grant will cover 30 days of service to more than 100 families in the community. Goodr is a B-corp that is receiving fiscal sponsorship from the Trust in Giving Foundation for this grant and other philanthropic support. COVID response and recovery will require new cross-sector partnerships like these to support the vitality of our region.

236. **Hearts to Nourish Hope** ($150,000) was established in 1995 to meet the needs of high-risk populations in Clayton and Gwinnett counties in areas of education, workforce development, housing and essential needs. Grant funding will go toward housing support for families with children, senior citizens and those most vulnerable during this time. Specifically, funds will help provide housing and utilities with a focus in the Southern Crescent, an underserved part of the region.

237. **Helping Hands Computers Outreach Inc.** BDA Helping Hands Outreach - $20,000 for its increased telemedicine system for low-income children and families in Rockdale county.

238. **Helping Hands for the Deaf** - $6,000 for addressing food insecurity among deaf individuals.

239. **Helping In His Name Ministries, Inc.** - $10,000 to support drive thru services for their food distribution efforts.

240. **Helping Mamas** ($75,000) is the baby supply bank for metro Atlanta and much of north Georgia, providing diapers, wipes, formula, other baby supplies, and hygienic and health supplies to local nonprofits that distribute them directly to families. Helping Mamas has seen a drastic increase in the demand for their services and are currently distributing nearly 15,000 diapers a day, including to new partners like Communities in Schools of Atlanta, DFCS offices, Sheltering Arms and the YMCA. Grant funding will help the organization meet this heightened demand and increased staff support required to respond to the need.

241. Henry W. Grady System Foundation, Inc. - Since 1994, the **Grady Health Foundation** ($315,000) has worked with philanthropists, corporate leaders and civic activists to raise critical dollars and secure in-kind (product) donations to benefit the Grady Health System. In response to the COVID-19 crisis Grady Health System will launch a text and phone campaign to enroll up to 10,700 patients in Grady’s mail order pharmacy program, at no cost to the individual, to reduce potential exposure for those most at risk and limit the spread of the coronavirus in the region. This grant will fill financial gaps to enable Grady to fully support this effort.

242. **Hi-Hope Service Center** - $19,000 for continued services and staffing of its programming for people experiencing homelessness.

243. **Hispanic Alliance GA** - $10,000 to cover modifications in service provision in Hall county due to COVID-19.

244. **Hispanic Alliance Georgia** - $50,000 for food pantry providing culturally appropriate food for the Latinx community in Hall County.

245. **Historic Westside Gardens ATL** - $20,000 to address food insecurity and increase access to local, fresh, healthy food in the Westside of Atlanta.

246. **HomeStretch** - $50,000 to provide transitional, supportive and rapid rehousing services to homeless families in the North Fulton area.
247. **HOPE Atlanta** ($150,000) provides mental health services, family reunification, emergency hotel placement and permanent housing for people experiencing homelessness in the region. Due to the crisis, organizations providing homeless services are in dire need for additional shelter capacity through hotel and motel rooms. This grant will support efforts to provide safe and isolated locations for those that are high risk or have been exposed to COVID-19 with access to hygiene products, private bathrooms and food.

248. **Hope for Youth** - $15,000 to deliver a safe after-school program for 100 girls.

249. **Hope for Youth, Inc.** - $4,000 for online curriculum and tech resources.

250. **Hope thru Soap, Inc.** - $20,000 to continue providing services to people experiencing homelessness.

251. **Hopebound Mental Health** - $15,000 for mental health services provided to students and their families at Carver High School.

252. **Horizons Atlanta** - $15,000 to cover the costs of providing meals to 850 students per day.

253. **Hosea Helps** (formerly Hosea Feed the Hungry) ($200,000) works with families in the City of Atlanta to prevent homelessness, address hunger in children and to ensure that individuals in poverty or at risk of poverty have financial resources and tools to become stable. Because of COVID-19, Hosea Helps has increased distribution of food and supplies while also assisting partner organizations. The grant will help cover the costs of purchasing food for box distribution to 19,000 individuals, rent/mortgage assistance for 65 individuals/families, and increased staffing and equipment costs to be able to serve additional individuals and families in need.

254. **House of Cherith** - $30,000 for the residential recovery program for adult female survivors of sex trafficking and exploitation.

255. **House of Cherith, Inc.** - $30,000 to continue providing housing and wrap around supports to victims and survivors of human trafficking.

256. **House of Dawn** - $15,000 to provide assistance through short-term housing services, emergency assistance and mental health/childcare supports.

257. **HouseProud Atlanta** - $32,500 for seniors to ensure they stay in their homes and also provide access to needed home repairs.

258. **Housing Justice League** ($40,000) works with renters and homeowners to self-organize and defend their right to remain in their homes and neighborhoods, primarily in the Peoplestown neighborhood in Atlanta. Its COVID-19 response includes ensuring low-wealth residents are receiving timely, accurate and useful information about the pandemic and how to report dangerous landlord behavior through a COVID-19 Hotline. Through the Hotline residents can get updates on housing policy changes, access community resources and receive tenant organizing advice and assistance. Assistance is available in multiple languages. The grant will cover the cost of additional capacity for the COVID-19 Hotline.
259. **Housing Plus, Inc.** (HPI) ($125,000) is a comprehensive solution to homeless issues in the greater Atlanta area. Due to COVID-19, HPI has moved to digital platforms to address safety concerns while focusing on rapidly rehousing and providing basic needs support to individuals experiencing or fleeing from domestic violence and trafficking situations. All referrals come from a network of pro-bono law firms. Funding will support efforts to serve these vulnerable individuals and help to reduce the number of families who will be facing eviction and homelessness in the coming weeks.

260. **Housing Tonight** - $10,000 to assist housing vulnerable populations with housing and supportive services in Atlanta, DeKalb and Clayton counties.

261. **Impact46 dba Lawrenceville Response Center** – $50,000 to re-house or prevent homelessness for individuals and families in Gwinnett County.

262. **Initiative for Affordable Housing, Inc.** - $25,000 to provide housing and ancillary social services for homeless families in DeKalb County.

263. **Innovative Solutions for Disadvantage and Disability** - $10,000 to provide rental and utility assistance for older adults raising grandchildren with special needs.

264. **Innovative Solutions for Disadvantage and Disability** (ISDD) ($50,000) provides support including case management, support groups, training and in-home tutoring to low-income, senior-headed households that include children with special needs. The average age of ISDD’s caregivers is 60, and many have an underlying health condition, such as diabetes or hypertension, which puts them at particular risk during the COVID-19 pandemic. This population is usually overlooked by existing systems. This grant will help ISDD provide food to these families and support their other needs, such as laptops for children to participate in school.

265. **INROADS** - $50,000 for INROADS College Links program in the Atlanta market.

266. **Inspiredu** - $125,000 to address digital literacy and equitable technology access.

267. **Inspiritus** (formerly Lutheran Services of Georgia)
   - ($150,000) serves families and individuals whose lives have been disrupted, a population that includes children and families, refugees and immigrants, people with developmental disabilities and individuals affected by natural disasters who are particularly vulnerable during the COVID-19 crisis. The grant will support rent and utilities assistance and food, household, medical and sanitizing supplies to meet the urgent needs of the individuals and families they serve across Metro Atlanta.
   - $100,000 to meet the increased demand for emergency financial assistance in its multi-county service area.

268. **Integrated Resources for Educating and Nurturing the Elderly** - $12,500 for multi-generational services via the Grandparents Raising Grandchildren program for Gwinnett and Walton counties.

279. **Kennesaw Dream Foundation** - $10,000 for virtual tutoring program for middle and high school students.

280. **KIPP Metro Atlanta Schools** ($100,000) is a network of 10 tuition-free, public charter schools that offer college-preparatory education in Atlanta’s educationally underserved communities, serving 4,600 students and 800 alumni in college. KIPP Metro Atlanta is not receiving COVID-19 emergency supports through the Georgia Charter Schools Association, Atlanta Public Schools or Fulton County Schools. Due to COVID-19, KIPP students need access to laptops and the internet for successful long-term distance learning. This grant will help provide students access to laptops, IT support and internet access, distance learning transitioning supplies and curriculum and emergency funding for families of students and alumni.

281. **L&J Empowerment dba The Confess Project** - $45,000 to train barbers and community organizers to become mental health advocates.

282. **LaAmistad** - $60,000 for virtual tutoring for Latino students throughout the greater Atlanta region, including small group support and at home learning kits.

283. **LaAmistad, Inc.** ($100,000) assists 300 Latino students and their families annually. Many students qualify for free/reduced lunch programs, and their parents largely work low-income jobs that are now being severely reduced. During the COVID-19 crisis, LaAmistad’s staff has had weekly calls with families served to determine specific needs for each, which include rent support, medical care and online tutoring. This grant will allow LaAmistad to provide approximately two weeks of emergency food supplies to the families it serves.

284. **Latin American Association**
   - $50,000 emergency financial and employment assistance for Latinx individuals and families.
   - $150,000 to meet the increased demand for emergency financial assistance in its service area.

285. **Latino Community Fund**
   - ($125,000) supports Latino-serving nonprofits and individuals in Georgia with advocacy, program development, technical assistance and collective investments. This grant will support an Emergency Assistance Fund to support families in crisis in five counties through an expanded network of more than 10 partner organizations, and will enable the organization to be a clearinghouse for resources, materials and documents relevant to the Latinx community.
   - $200,000 to provide emergency financial assistance for Latinx communities throughout Greater Atlanta in partnership with grassroots Latinx organizations.

286. **Leap Year** - $10,000 to support second graders with reading challenges and at-risk graduating high school seniors.

287. **Leap Year** - $17,500 to for a two-generation model reading coach program that engages recent high school graduates to serve elementary students.
288. **LILBURN COOPERATIVE MINISTRY INC** - $25,000 to cover the costs of a 5-fold increase in the number of families being served weekly.

289. **Literacy for All (LFA)** ($60,000) connects the Georgia literacy community to innovate, champion and fund multi-generational literacy opportunities. Many low-income families around the state do not have internet service needed for their children to actively engage in online learning and continue their education consistently during this crisis. LFA started an Emergency Connectivity Initiative, partnering with the Georgia Department of Education (GaDOE), Governor’s Office of Student Achievement, the Georgia Public Library Service and other organizations to address this urgent need. This grant will allow matching funds for LFA to purchase approximately 1,000 Wi-Fi devices with coverage plans to support families in need through the next 60 days.

290. **liveSAFE Resources, Inc.** - $20,000 to continue providing shelter for the unhoused and a safe environment for its staff and clients.

301. **Marietta City Schools** ($75,000) response to students’ basic needs initially focused on feeding the thousands of children who depend on school for meals. Sixty percent of MCS students qualify for free/reduced lunch. The school system served more than 65,000 meals March 16 through April 3. Another immediate need is to keep students connected to learning, many of whom do
not have Wi-Fi or devices needed for distance learning. MCS has purchased six months of Wi-Fi connectivity and has loaned 3,000 computers to ensure students can stay connected to learning during the closure. This grant will contribute to the $150,000 cost of connectivity for approximately 700 students who currently don’t have access.

302. **Martin Luther King Jr. Center For Nonviolent Social Change Inc.** - $25,000 to support the King Center's provision of services and information to the African American community.

303. **Maynard Jackson Youth Foundation** - $10,000 for community-based programing that supports college access and preparation for students at Maynard Jackson.

304. **Meals on Wheels Atlanta** ($150,000) provides healthy meal delivery to elderly and health-challenged residents in Fulton County. In the wake of the coronavirus pandemic, it is tripling its production to over 35,000 meals per week and preparing to deliver bulk supplies of emergency meals each week to seniors’ homes. This grant will be used to hire temporary staff, rent additional freezers, and purchase more cooking equipment, food and supplies.

305. **Melanated Pearl Corporation** - $25,000 for homeless prevention services for families led by women of color in Clayton County.

306. **Mending The Gap Inc** - $5,000 to cover costs of the food delivery service to seniors in Gwinnett county.

Some individuals have mental health conditions or underlying conditions that increase their risk for COVID-19, such as HIV/AIDS, diabetes and high blood pressure. The organization maintains a shelter and also provides rental assistance for clients living in apartments. This grant will help to cover the costs of food, sanitation supplies, emergency assistance to families facing eviction and expanded services to prevent homelessness for more families across the metro Atlanta region.

343. **Nobis Works dba Tommy Nobis Center** - $10,000 for programming that addresses barriers to academic success for students with special needs and their families.

344. **Nobis Works, Inc. d/b/a Tommy Nobis Center** - $10,000 to provide case management, counseling, educational resources and COVID-19 information.

345. **Noonday Association** - $35,000 to cover costs of the food delivery service to seniors in Cherokee, Cobb and Paulding counties.

346. **Noor Family Services Corporation** - $3,000 for emergency financial assistance, food and transportation.

347. **Norcross Cooperative Ministry, Inc.** ($200,000) is a coalition of churches that provide services to low-income and homeless families in their community. Prior to the COVID-19 crisis, the cooperative typically served 50 to 70 families per day. Today they have seen a 700 percent increase in families needing support, including past clients whose situations have worsened, new clients who are homeless or live in extended stay hotels and others with vulnerable housing situations. The grant will help to cover rent assistance, temporary lodging, and food for clients for the next 60 days.

348. North Fulton Community Charities - Since 1983, **North Fulton Community Charities** (NFCC) ($200,000) has addressed homelessness and hunger in North Fulton County, serving nearly 10,000 annually. Due to the current climate, NFCC has had to close their thrift store, their main source of revenue, while seeing a significant increase in need. NFCC is also seeing greater need among self-employed and small business owners. Grant funds will help support restocking food pantries and providing financial assistance to populations including single working mothers, custodial grandparents and immigrant families.

367. **Paradise Atlanta Westside Enrichment Center** (PAWKids) - $13,000 to address food insecurity in Northwest Atlanta.
368. **PARENTS PROSPER (Formerly Parent Avengers)** - $15,000 to connect with other parents that require assistance to maintain their housing in Vine City/English Ave.
369. Partners for HOME - Through their proven track record and partnership with the City of Atlanta, **Partners for HOME** (PfH) ($300,000) was able to leverage a $1.5 million pledge from the City for their COVID-19 response and action plan to address and assist people experiencing homelessness during this pandemic. PfH seeks to stop the spread of COVID-19 among shelter populations and house the most vulnerable: those over the age of 55 and those with underlying health conditions. PfH is coordinating with government and nonprofit organizations to provide 250 people with shelter, meals and healthcare for three months. This grant will support this effort that includes isolation beds, comprehensive testing and permanent supportive housing.
370. **Partners in Action for Healthy Living** - $43,000 to address food insecurity in South DeKalb and the metro Atlanta region.
371. **Partnership Against Domestic Violence** (PADV) ($10,000) was founded in 1977 to end the crime of intimate partner violence and empower its survivors. PADV is currently still offering shelter services and a 24-hours crisis line, providing safety planning, remote counseling and legal advocacy. This grant will assist those currently facing domestic violence issues via shelter services or emergency motel stays, to ensure housing security and protect children and vulnerable populations from high levels of abuse likely to happen during increasingly stressful periods.
372. **Partnership for Southern Equity** (PSE) ($150,000) works to advance policies and institutional actions that promote racial equity and shared prosperity for all. In response to COVID-19, PSE is re-granting funds to primarily African American-led organizations to provide emergency financial assistance to residents facing food insecurity, unstable housing and precarious physical and mental challenges. High rates of chronic diseases and increased risks of exposure because of work requirements, transportation and housing options combine for devastating effects: while 43% of Fulton County residents are African American, African Americans represent 85% of COVID-19 related deaths in Fulton County. This grant will assist PSE and its partners serving approximately 900 residents in the
Pittsburgh and Peoplestown neighborhoods in Atlanta and several neighborhoods in South Fulton county.
