Donor-advised Fund

MAKING YOUR PHILANTHROPY PERSONAL

Do you want your philanthropy to be easy? Would you like to give when you are ready – on your timetable instead of having an annual payout requirement? Do you want to use your philanthropic dollars to support high performing nonprofits addressing issues you care passionately about? If you answered “yes” to these questions, then a donor-advised fund could be right for you.

WHAT IS A DONOR-ADVISED FUND?

Donor-advised funds are our most popular and flexible type of fund. Donors can lock in an immediate tax deduction by contributing to a donor-advised fund, yet distribute the money, which grows tax-free, to their chosen charity or charities over time. Donors may give grants locally, nationally or internationally to any nonprofit that is a 501(c)(3) organization. As a donor of the Community Foundation, you make a collective impact on our community with other donors like you.

A DONOR-ADVISED FUND IS A WAY TO GIVE THAT IS:

- **PERSONAL** — Grants are made in the name of your donor-advised fund or, if you choose, anonymously, to nonprofit organizations you recommend anywhere in the U.S. or around the world.
- **FLEXIBLE** — You can add to your donor-advised fund whenever you want. The Community Foundation can accept donations of almost any asset, including stock and real estate.
- **FAST** — A donor-advised fund can be set up and running as soon as a fund agreement is completed and assets are gifted to the Community Foundation.
- **KNOWLEDGEABLE** — Your personal philanthropic officer is your conduit to the Community Foundation’s deep knowledge of the issues affecting the metro Atlanta region and the effective nonprofits that address those issues and meet your charitable goals.
- **FAMILY-FRIENDLY** — Family philanthropy provides donors a way to teach their children and grandchildren about financial stewardship as it relates to giving back. The Community Foundation and its staff are experts in family and multi-generational philanthropy. Your personal philanthropic officer can work with your family to explore their values and interests and how these can influence their philanthropy. Donors interested in a deep level of family engagement may utilize customized services such as family meetings, family genograms, managed grantmaking processes and long-term philanthropic planning.

"IF YOU CARE ABOUT THE COMMUNITY AND MAKING FAMILIES STRONGER, YOU CAN BACK THOSE VALUES WITH ACTION. IF WE AS A FAMILY CAN HELP MAKE THIS COMMUNITY A BETTER PLACE, WE WANT TO DO IT."
